

Call for Abstracts

UK CARDIO-IMID Annual Scientific Meeting 2026 University of Edinburgh | 13th March 2026

We invite researchers, clinicians, and innovators to **showcase your work and contribute to advancing the field of cardio-rheumatology** at this landmark UK-wide meeting

Theme & Focus

Abstracts should present **original research** that highlights **new discoveries and emerging concepts** across the **translational pathway in cardio-rheumatology**, including but not limited to:

- **Basic and translational science:** Mechanistic insights, biomarkers, molecular pathways
 - **Clinical research:** Trials, observational studies, imaging, risk stratification
 - **Innovative diagnostics and therapeutics**
 - **Health services and implementation research**
-

Presentation Opportunities

Six abstracts will be selected to be featured in **oral presentations**:

- **5-minute presentation** of your research
 - **5-minute audience and panel discussion**
-

Submission Guidelines

- **Format:** Structured abstract (Background, Methods, Results, Conclusion)
 - **Word limit:** Maximum **250 words**
 - **Title:** Concise and informative
 - **Authors & Affiliations:** List all contributors and institutions
 - **Language:** English
 - **File type:** MS Word or PDF
-

Eligibility

- Open to researchers, clinicians, and trainees holding a current position at an academic institution and/or NHS Trust in the UK.
- Work must be **original** and current (unpublished).

Review Criteria

Abstracts will be evaluated based on:

- **Scientific merit**
- **Innovation and relevance**
- **Clarity of presentation**

Key Dates

- **Submission opens:** 13th November 2025
- **Deadline for submission:** 13th February 2026
- **Notification of acceptance:** 20th February 2026
